MEMORANDUM FOR THE RECORD

SUBJECT: Individual Comments on Senate Armed Services Committee Members during the Director's Briefing of the Committee on 27 January

(U) Senator Sam Nunn (D., Ga.): Senator Nunn arrived a little late for the briefing session. During the break in the morning meeting, the Director offered, and Senator Nunn accepted an essentially private briefing by the Director to bring Senator Nunn up-to-date on that morning's briefing. Also based on Senator Nunn's statement that he would have to leave the afternoon session early, the Director offered to come back to the briefing half an hour early to personally brief Senator Nunn on remaining subjects of interest. Again Senator Nunn accepted. Both were private sessions with Senator Nunn.
